

Let's Talk about the Value of Networks

Preferred Blue is the most extensive South Carolina network, and it offers the greatest percent of savings. Our healthcare professionals file all the claims for your employees and won't balance bill the patient for more than our negotiated amount.

- 100% of South Carolina Hospitals
- 94% of South Carolina Physicians
- Largest South Carolina Network
- Deepest South Carolina Discounts

Travel and Out of State Networks

TCC brings you high quality networks extending to your out of area and traveling employees. Our goal is to save you the maximum possible, wherever care is needed. Our team will create regional network solutions that meet the needs of your group, achieving the greatest savings, quality and coverage. Our preferred travel networks are MedCost (North Carolina) and First Health (national).

Non-Network Fee Negotiations

TCC offers non-network fee negotiation as a significant cost-saving benefit for our clients through our partner HRGi, consistently outperforming the industry averages for non-network charges.
